

# KEIN VEEDEL FÜR RASSISMUS

**The racist AfD party are attempting to smear and infiltrate Köln Chorweiler:**

**We aren't going to accept any racist activity in Chorweiler!**

Therefore we are warmly inviting you to:

**An Information evening: "Why the AfD is not a Democratic party"**

Tuesday, 17<sup>th</sup> of April 2018, 19:00, Bürgersaal 3, Bezirksrathaus Pariser Platz, Chorweiler

**A rally followed by a city walk: "Against the AfD's destructive activity in Chorweiler"**

Wednesday, 18<sup>th</sup> of April 2018, 17:30 Pariser Platz

At the Federal Elections, of the 14,000 inhabitants of Chorweiler only 450 voted for the AfD.

Now the party want to denigrate Chorweiler as a "problem area".

After their disturbances have already failed at Köln Hauptbahnhof and Ebertplatz, they are searching all possible avenues to become active in Chorweiler.

The AfD complain about and protest against "Islam" and "Asylum-Seekers", but with these terms encompass anyone whose grandparents aren't from Germany. They're ideal situation would be to keep their specific 'German' Social benefits for themselves. Furthermore, they demand sharp tax cuts for the rich.

Right-wing extremists have integrated themselves into the Federal Party; holding seats such as Poggenburg as the Sachsen-Anhalt Chairman or Höcke in Thüringen. Many others in the party have inspired support and

votes through insults, provocations and false reports.
